

10th Annual Harbor House Tree Trimming Celebration

On December 7th, 2014 the St. Rita Ministry is sponsoring our 10th Annual Tree Trimming Celebration at Harbor House of Central Florida, Orange County's only certified domestic abuse agency. Help us brighten this holiday season for the families living at this safe shelter by contributing to our annual holiday drive.

We're currently collecting monetary donations for cash or Wal-Mart, Target or Visa Gift Cards (\$10 increments). Also, if you would prefer to contribute by putting together a special gift basket for the women, please let us know.

These generous gifts not only lift spirits during this time, but also help ease the financial hardship and allow survivors to purchase basic necessities and personal items needed. Anyone interested in donating cash, gift cards or gift baskets is asked to drop them off in the church office

NO LATER THAN Friday, Dec. 5^h.

If you have any questions or if you and/or your corporate or ministry group would like to contribute gift baskets, please contact Stephanie Kresl at 407-353-3268 or John Kresl at 407-496-3326 or stephaniekresl@gmail.com.

Thank you for your generous help and support!
